The Federal Reserve bank, real-estate suddenly that this is a nation and not a pawn shop, reduced the discount rate from 6 to 5 per cent.

New Jersey, first among the states, has absolutely wiped out the mosquito.

Governor Larsen and the state agricultural department are to be congratulated on a fine achievement.

More money than Wall Street can lose in a dozen panics would be needed to finance the elimination of agricultural pests, boll weevil, corn and the rest of the army.

Excellent news comes from Florida as to the success of that state in dealing with the Mediterranean fruit fly. It has been a costly battle, but worth the money and trouble.

Samuel Insull and other big employers, following the example of J. P. Morgan, are urged to supply money to their employees from losses in stock speculation.

Henry Ford wouldn't agree with that idea. Two years ago when this writer mentioned certain stocks in which there were bound to be heavy losses, Ford said: "Of course. But that's the only way people can learn."

Whether it is wise not to let nature take its course in gambling is another thing, is questionable.

Senator Nye of North Dakota has been Wall Street and "all speculation sifted." What's more, he has a remedy ready for February 1.

Two ways of getting something: one is to work, the other to gamble. Ninety per cent of human beings prefer the gambling way.

That will be changed a good deal after February 1, 1930.

From Pocantico Hills, where D. Rockefeller is enjoying himself at the age of ninety, came a statement that to the distressed like a drink of cool water in the middle of Sahara:

"My son and I have, for some time, been purchasing sound common stock. We are continuing, and will continue, our purchases in substantial amounts at levels which we believe represents sound investment values."

INDIANS PLAY DE LEON HERE ON TURKEY DAY

The business houses of Comanche will remain closed Thursday, November 28 as Thanksgiving.

The Mayor's Proclamation "Whereas Thursday, November 28, has been set aside as a holiday by proclamation of the President of the United States and the Governor of Texas.

"Whereas it is deemed right and proper that all communities should fittingly observe our annual Thanksgiving day, therefore, I, J. R. Eanes, Mayor of the City of Comanche, do hereby issue this proclamation, calling upon every citizen of this city to observe Thursday, November 28, a holiday for Thanksgiving and prayer for the material and spiritual blessings that we as citizens and individuals have enjoyed during the last twelve months.

"Therefore let every place of business in Comanche be closed on that day and the citizens abstain from business pursuits and spend the day in proper observance."

Given under my hand officially, this 16th day of November, 1929. J. R. Eanes, Mayor of the City of Comanche.

Football in Afternoon With the district championship almost in sight if they can get by Albany to-day, the Comanche Indians will meet the De Leon Bear Cats in the local Park Thanksgiving Day in what now promises to be a closely contested game.

Starting the season with but two or three letter men and a string of Freshmen, De Leon was easy prey for the stronger teams of the district in early season, but now appears to have a formidable team which is growing better with each game as their Armistice defeat of 7 to 2 by Gorman indicates. According to reports Jack Pearson, Adrian Grizzelle, W. S. Sneed, Clarence Lightfoot, O. B. Reed, Captain Leland Nabors and Red Corbell held in check the forward Panther attack, while Terry and Donahoe, back field men, repeatedly got away for long runs.

While the Indians will be thinking of Albany today, regardless of the outcome of that affair, as the time draws near for the big county championship game, the interest and excitement will become more and more intense until Thanksgiving Day when De Leon plans to migrate to Comanche to help the Bear Cats down the Indians for county championship. In De Leon the battle cry is "Watch Dodson, Stop Dudley and Lookout for Greer."

The probable line-up is as follows:

Comanche: Waldrop, center;

Wagner, left guard; Stephens, right guard; Greer, left tackle; Thomas, right tackle; Horner, right end; Dutton, left end; Dodson, quarter; Meyers, right half; Miller, left half; Dudley, full;

De Leon: End, Pearson; Tackle, Grizzelle; Guard, Sneed; Center, Lightfoot; Guard, Reed; Tackle, Nabors, (Capt.); End, Corbell; Half, Terry, Half, Donahoe; Full, Parsons; Quarter, Bell.

COTTON REPORT There had been ginned in Comanche County prior to November 1, 5486 bales of cotton this season as compared to 6836 a year ago according to John H. Harris, Special Agent.

GLEE CLUB CONCERT The Comanche High School Glee Club, which is directed by Mrs. W. D. Carroll, made its first public appearance of the season Friday evening when they gave a concert at the high school auditorium to an appreciative audience, rendering a miscellaneous program.

Specialties included tap dances, Spanish dances, and piano solos by Mrs. Carroll's piano pupils.

EXPERT TO HELP GROWERS

Mrs. Elizabeth Temple, Poultry Expert for the Frisco Railway will be in Comanche next Monday and Tuesday for the purpose of conferring with poultry raisers in regard to the proper selection of turkey breeding stock according to an announcement of County Agent J. A. Barton.

Mrs. Temple will give demonstrations at the R. T. Jones farm near Sidney Monday at nine o'clock and at Ed Holdens near Beattie at 1:30 p. m. Monday. Tuesday at 2 p. m. another demonstration will be held at Walter Fritts farm near Vandike.

All turkey raisers who are interested in this matter are invited to be at one or the other of these demonstrations, Mr. Barton said.

BEATTIE PLANS ANNUAL FAIR

Plans are complete for Beattie's second annual community celebration to be held at the school building Thanksgiving day when people from that community and visitors from elsewhere will gather for a homecoming and an all-day program.

An old fashioned basket dinner supplemented by barbecued meats, hot stew, and coffee served at twelve o'clock will be one of the high points of the day's entertainment.

The program for the morning will include an address and exercises by the school children. A Community Fair will also be one of the features of the day and will include exhibits in field crops, textiles, livestock, poultry, canned goods and an old relic department.

A special feature of the livestock department will be an exhibit of the community bull and all his heifer calves which are in the community and a stock judging contest in which the boys will be staged in the afternoon.

A basket ball tournament is also planned for the afternoon to which a general invitation to all the teams, both boys and girls, of the county and neighboring districts.

DRAMATIC CLUB TO GIVE PLAY

The first play of the school year, "Anne, What's Her Name" will be given Friday evening, Dec. 6th by the High School Dramatic Club according to Mrs. R. S. Walker, Director.

The Dramatic Club this year will attempt to equip the High School stage with modern curtain and fixtures, Mrs. Walker said.

SAYS CROP HAS NEVER FAILED HIM

Comanche's Sandy land farms will make more in black berries over a period of years than any thing they can be planted in was the statement of Less Dillard, pioneer berry grower when interviewed.

Mr. Dillard has been raising black berries more than 25 years and during that time he has never made a failure he said, though one year he was hailed out but the berries put on a growth in spite of the hail.

Mr. Dillard is extremely anxious that Comanche farmers plant the Lawton berry as advised by Mr. Bowdoin of the Bowdoin Canning Co. and he says that if this is done it will prove the most profitable crop year after year produced in this county.

The Lawton berry will grow just as well in Comanche County as the Clark and Dillard berry, Mr. Dillard says, and he has raised the Lawton berry here.

There is no better eating berry than the Clark and Dillard, Mr. Dillard says but he knows it is not a good canning berry and the quality that makes it desirable for table use makes it undesirable for canning.

"I expect to put every available acre on my farm in Lawton berries," Mr. Dillard said, "and I know it will make more money than anything else I can plant on it."

This year, Mr. Dillard pointed out, every thing that the farmer has to sell has gone down, his cotton, his peanuts, his turkeys, and his cream, while at the same time he can contract next years berries for the same price he received last year, and this, Mr. Dillard, says, is a thing the farmers should keep in mind.

The planting of this berry in Comanche, Mr. Dillard pointed out, gives a staple market for this product and he says he is anxious to see not less than 500 acres of Lawton berries put out around Comanche.

INDIANS WIN FROM GORMAN IN CHAMPIONSHIP DRIVE

By a thrilling 12 to 6 victory over the Gorman Panthers at the local park Friday, the Comanche Indians remained in the running for district championship with a perfect percentage along with Dublin and Stephenville, both Erath County teams winning their Friday games, Stephenville defeated the Hamilton Bull Dogs 7 to 0 and Dublin nosing out the Rising Star Wildcats by the same score.

With the score tied six to six and three minutes to play, Dodson, stellar quarter back for the Indians, received a lateral pass from Marshall, midge substitute half for the Indians, and raced sixty five yards for a touchdown, eluding the entire Panther team, no less than six of whom at some time got their hands on him.

Nearly the entire Indian team took part in the race, furnishing beautiful interference as Dodson raced along the sideline, side stepping the last Panther on the one yard line. This play brought pandemonium from the Indian supporters, many dignified men and women, jumping up and down with school child glee as they saw their Indians apparently cinch the game.

The Indians were first to score in the second quarter when a triple pass Dodson to Dudley to Meyers was completed on the 12 yard line for twenty five yards. After Dodson had gained four yards, the same pass carried the ball for a first down on the five yard line. Dodson then took the ball to the six inch line where

Dudley fumbled for a loss of three yards and then went over for the score.

Gorman scored when Dodson fumbled on his own 20 yard line where Gorman recovered. After making first down, Morris took the ball over in three trials after Comanche had been penalized to the 5 yard line.

Play By Play Defending the west goal Morris kicked off for Gorman to Dodson who returned the ball to his 22 yard line. Miller immediately returned the punt placing the ball on Gorman's 28 yard line.

Morris went around Comanche left end for 20 yards. Morris made 1. Leazer 2 and Morris around end for another first down. Morris went through tackle for 3 and Rogers made 1. Morris made 2 and kicked to Dodson on his 22 yard line.

THREE MOTOR ACCIDENTS ON WEEK END

Car wrecks and accidents featured the week end in Comanche and vicinity, when three people were painfully hurt and two cars badly wrecked.

Wilbur Guthrie, J. D. Andrews, and Jack Dingus while driving six miles out of Comanche on the Beattie road Sunday received jolts and bruises when the Ford coupe in which they were riding turned over three times when a radius rod broke. The car which belonged to Odus Guthrie was badly wrecked.

Miss Selma Zschiesche received painful injuries about the knee and ear Saturday night when a car in which she and Mr. and Mrs. Bunk Vineyard, Mr. and Mrs. Kyle Payne and Mart Sherrill were returning from Priddy to Comanche hit loose dirt and turned over. Miss Zschiesche was taken to Comanche where she was treated by a physician. None of the other occupants were hurt.

Man and Wife Hurt Mr. and Mrs. Bob Isham suffered severe wounds about the back and head Saturday afternoon when a truck in which they were riding overturned eight miles out of Comanche on the Pecos Belt Highway. Mrs. Isham being pinned beneath the cab of the truck. They were brought to Comanche by Ben McGlothlin where they were treated by a physician, several stitches being taken to close the wounds on Mr. Isham's neck and Mr. Isham's back.

The truck is said to have overturned when Mr. Isham met a car and the front wheels went into the ditch beside the road.

AMERICAN LEGION MEETING There will be a meeting of the Ex-Service men at J. B. Allcorn's Office, Sunday, Nov. 24, at 2 P. M., and all members are urged to be present.

NEW LOCATION FOR OIL TEST

The Bryson test, was completed this week at 3185 feet and the rig torn down to be moved to a new location on the northwest part of the lease.

The location is expected to be made this week and drilling begun next week according to a representative of the Sun Oil Company.

TURKEY SHOW PLANS READY

Plans are fast maturing for Comanche's Second Annual Turkey Show, which is to be held in Comanche, Monday, December 2, according to County Agent J. A. Barton.

The show last year, which was the first exclusive turkey show ever held in this section of the state drew over a hundred entries and hundreds of people throughout the day crowded into the rooms to see the exhibits and many turkey breeders bought their breeding stock for this year, which is one of the contributing causes, Mr. Barton thinks, for the better grade of turkeys in the county this season.

This year's show is expected to be even better, Mr. Barton says, and in addition to the exhibits, the breeders sale will be stressed and Mr. Barton urges raisers who have high class breeding stock for sale to bring them to Comanche on that day. The breeding lectures and stock selection demonstrations which are to be given next Monday and Tuesday by Mrs. Elizabeth Temple, Poultry Specialist for the Frisco, should enable those who attend to be able better to select their stock for next season, Mr. Barton says.

Rules adopted for the show last year which again will be followed according to Mr. Barton are as follows: All turkeys must be in the coops by ten o'clock on the morning of the show; Turkeys must have leg bands. No entry fee will be charged and coops will be furnished free. Ribbons will be awarded in the following classes.

Nature Thought of Everything

Nature thought of everything when the human body was made. When the body is about to become ill, nature planned danger signals to warn us. Thus, if our children grind their teeth when they sleep, or lack appetite, or suffer from abdominal pains, or itch about the nose and fingers, we should know that they may have contracted worms. Then, if we are wise, we buy a bottle of White's Cream Vermifuge and safely and surely expel the worms. Thus we avoid the danger of very serious trouble. White's Cream Vermifuge costs only 35c a bottle, and can be bought from Paris Smith and The Wm. Reese Drug Co.

Run-Down

"About seven years ago, I was all run-down, worn-out and never felt good," says Mrs. Harry Cantrell, of Cape Girardeau, Mo. "A chair would be more welcome any time than my work."

"I was so tired when I would arise in the morning. Instead of being rested, I felt terrible."

"At last, mother told me to take Cardui, and I did. After the first bottle, I could tell a difference, and when I had taken five bottles the tired feeling was all gone. I felt like a different person, thanks to Cardui. I hope that other mothers will try Cardui. I have been wonderfully benefited by it."

Chevrolet Six Sets New Record!

Over a Million Three Hundred Thousand Since January 1st

October Sales far In Excess of Last Year - -

The car buying public has made its appraisal of the Chevrolet Six—and decided that it offers a dollar-for-dollar value which stands alone.

Month after month since the first of the year, Chevrolet sales have forged ahead of the 1928 records. October, for instance, shows a remarkable increase over October a year ago.

This great success was to be expected. For, always, the public has been quick to appreciate Chevrolet's efforts to serve its owners better.

When Chevrolet brought to the low-price field those modern features so necessary to motoring satisfaction, the public's response was enthusiastic and immediate.

When Chevrolet demonstrated that a car can be both beautiful and economical—Chevrolet sales again showed a marked increase.

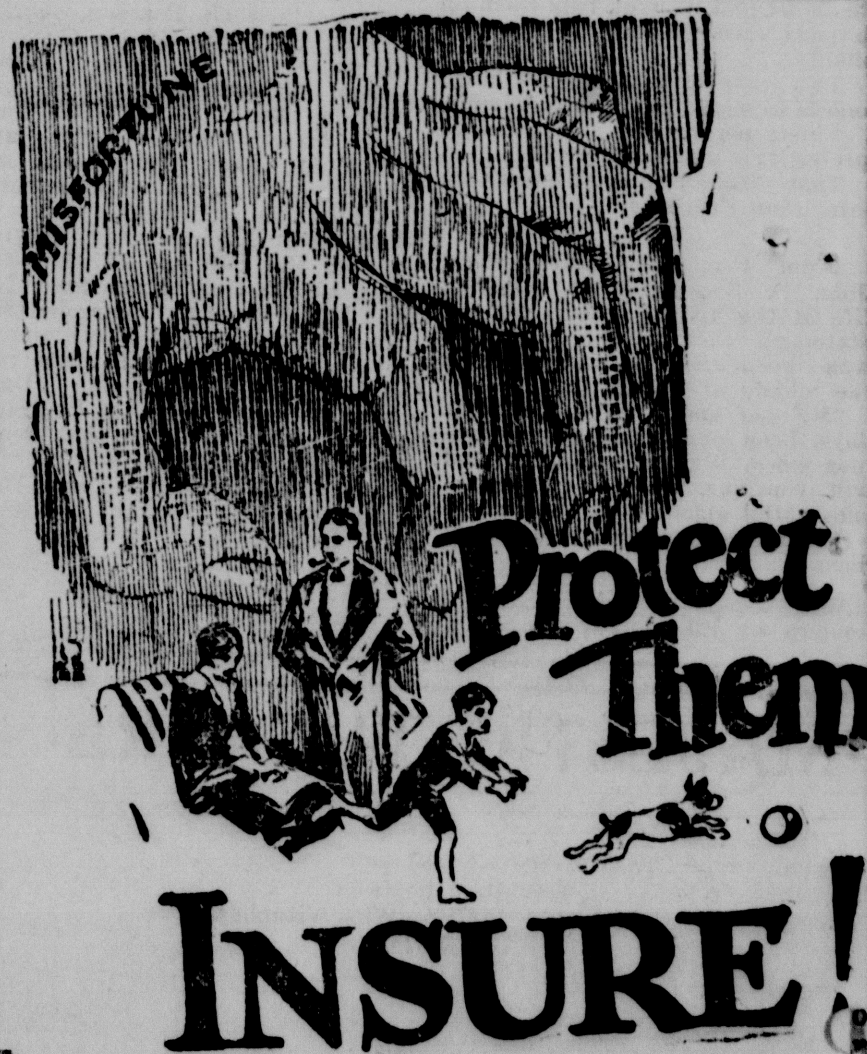

And now, when Chevrolet has broken every tradition of the industry and is building a fine Six in the price range of the four, it is only natural that Chevrolet sales should again climb to new heights.

CLUB NEWS

County Agent J. A. Barton and Supt. R. S. Walker were the principal speakers at the Community Club meeting at Beattie Saturday night urging the planting of black berries on the part of the farmers.

A Committee consisting of Logan Williams, Hubert Kelly and L. Auvenshine were appointed to negotiate with the Humble People for lighting the school house from the power line from Comyn to Bibb.

The principal project before the meeting was preparation for Beattie Community Day, Thanksgiving though preparations for the Turkey Show at Comanche, Dec. 1st and the pure Cotton Seed meeting Nov. 27th were made.

A program was rendered by the school pupils.

ENTERTAINS CLUBS

Chrysanthemums were favored in the decorations of the home of Mrs. Joe B. Hamilton Friday evening when she and Mrs. Aaron Massingill entertained with ten tables of bridge, honoring the Friday Club and the Thursday Night Club and a number of guests.

Game favors went to Mrs. Tom F. Reese, who received a handkerchief for high score and to Mrs. Inez Palmer, who received an apron as consolation prize. Mrs. A. F. Cox, who was lucky in the cut received a lemon dish.

PRESIDENT FIRM PRAISES SARGON

"At the age of 79 I'm still active in business, and I attribute my splendid energy and vitality to Sargon. I believe it added years to my life."

DAVID S. BEEKMAN

"Before I took Sargon my health had been failing steadily for five years. What I ate soured almost as soon as it reached my stomach. My nerves were all to pieces and I hardly ever got a good night's sleep. I was continually bothered with constipation and biliousness. I tried many medicines but kept losing weight and getting weaker every day. I thought I would have to give up my business, which would have cost me thousands of dollars."

"Six bottles of Sargon made me feel like a different man. If I have an ailment left I don't know it. My appetite is keen, all trace of stomach trouble is gone, and I sleep like a ton. I've gained seven pounds and feel as well and strong as I did 25 years ago. I go to my office every morning ready for a real day's work. It's a pleasure to endorse this remarkable treatment."—David S. Beekman, President, Beekman Steel Fence Co., San Francisco.

FARMERS HOLD SEED MEETING

Twenty five farmers representing eight communities met in County Agent's office Saturday and discussed the need of better grade of staple cotton seed for this section. Each farmer present was called on and each expressed himself as favoring the idea of getting one variety of cotton seed and getting one gin or a gin to set aside one side of the gin for this cotton.

G. L. Garrison of Sidney said that he was right in for the plan of getting seed in car load lots as a saving could be made and at the same time get the same quality of seed.

H. D. Lane of Hasse said that he fully endorsed the idea and that the Hasse farmers were working toward that end and that he believed that by next year's crop that Hasse would only have one variety of cotton. Even this year according to local cotton buyers the best grade of cotton comes from Hasse.

Mr. Barton pointed out that the Government report this year shows that the spinners of the world have taken half million less of our cotton and a half million bales more of the Indian cotton than last year, this fact as pointed out by the cotton trade simply means that American farmers are getting their cotton on the same basis of India cotton and which is short weak staple and the price for the spinner is in favor of the India cotton.

The farmers present at this meeting said that they did not believe that many of the farmers knew of the move to get better staple cotton seed and another meeting was called for Wednesday, November 27, at 2:30 P. M. in the County Agent's Office.

Russell Lane has been chosen President of his class in the State Medical College at Galveston, according to a letter to his parents. Russell is a junior.

MRS. C. W. WILLIAMS BURIED TUESDAY

Mrs. Charlie W. Williams died at Hamilton Monday morning at seven o'clock following an illness of more than a month's duration. Funeral services were held at the Indian Creek Cemetery Tuesday afternoon at two o'clock, conducted by Rev. Frank Turner, pastor of the Hamilton Methodist Church.

Mollie Black, daughter of the late Mr. and Mrs. Peyton Black was born in Comanche county about forty years ago. When Mrs. Williams was three years of age her mother died, leaving her father with five small children of which she was the youngest. Mr. Black never remarrying, reared the children in Comanche county.

About twenty five years ago Miss Black was married in the Indian Creek Church to C. W. Williams.

With the exception of two or three years in Fort Worth, Mr. and Mrs. Williams made their home in Comanche County until they moved to Hamilton three years ago.

In early girlhood, Mrs. Williams was converted and united with the Baptist church and after her marriage joined the Methodist church with her husband being a member at Hamilton at the time of her death.

In addition to Mr. Williams, she is survived by eight children: Preston Williams of Ozona, Grady, Nolan, John Peyton, Garland, Ruby, Frances, and a three year old daughter, Mary Alice. A daughter, Jewel, then two years of age, died sixteen years ago. She is also survived by a brother, Walter Black of Fleming, and two sisters, Mrs. Lee Sanders of Mullin and Mrs. Bill Bowman of Haskell.

SPECIAL THANKSGIVING SERVICE

On Wednesday evening, Nov. 27th, at seven thirty, there will be a special Thanksgiving service at the Methodist church. Special music will be arranged by a combined choir from the several churches. Talks will be made by the pastors of the various churches. The expression of our Thanksgiving and praise to God for His many blessings and goodness throughout the past year will be the key note of the service.

The people of the entire community are invited to be present at that time, and join in our period of worship.

MRS. ST. CLAIR GIVES A TEA

Mrs. St. Clair has got her new false teeth from a mail order house and to celebrate properly she gave all her friends in or vice into tea last Thursday. After dinner, everybody was present brushing up of the day among the community.

Everybody went on to Mrs. St. Clair's house and Mrs. Homer Carter not showing up. It was a very pleasant affair. We were met at the front door by our hostess who looked swell in a black and white striped blazer and black taffeta skirt. Her husband had given her a bokay to pin on her and she had got a neighbor to trim her hair and put a red ribbon and blue violets in it. Her teeth looked real natural especially as she had, had the misfortune to drop them in the wash an the first morning and break at one upper and one lower tooth.

After house looked real inviting and Mrs. St. Clair must have worked hard cause all her best ideas were fresh done up and draped over the pictures, fireboard, and chairs. On the side board she had put her gorgeous new water-pitcher and goblets, which her daughter, Mrs. Gene Whitten of Abilene sent her last Xmas. Xmas coming in about six weeks she had got out her decorations and put up on the china closet. She had a brand new oil cloth for her dinner table and had even put fresh flowers and red flannels in her lamps on each end of the table and bokays of yellow and white flowers about a gorgeous cake stand which held a right good cake covered with white icing and candies of every color.

She had asked some of her friends who had been up before her public before to perform for her company. Everybody rose and sang "America" first. Then Mrs. D. Chas. Clarke played a pretty piece on the piano. It was variations and being somewhat sad we all wept some. Mrs. Irbys spoke a real touching piece. She looked right well in her new linen shirt and a black skirt and brown coat. Mrs. Cochran dressed in a white embroidery dress over yellow, which she wore the first time she ever saw her man, made a very enthusiastic patriotic speech. She didn't stick to her subject, much but the people was right attentive and clapped lots. Then Mrs. T. J. Williams and Mrs. Anthony, Mrs. Huddleston and Mrs. Charlie Howard sang a double duet called "A Sunbeam" Mrs. Williams playing on the piano, having on a pretty dress and a hat with nut-cups on it. Next Mrs. Hardy Slider dressed in a swell evening dress of blue satin sang a vocal solo. Then Mrs. Henry Moore and Mrs.

Jim Slack sang a duet. They have just come home from the races and Mrs. Slack's husband must have been lucky cause she was wearing a gorgeous blue satin opary coat. Mrs. Moore looked and did wonderful in a white beaver hat. They sang a touching piece about the "Poor Blind Girl's Picture A Hanging in the Wall". After that Mrs. T. B. Chilton was to have played but Mrs. Clarke had already played her piece. She was real at out too 'cause she had a long trailing black dress and a picture hat with pink feathers. She walked across the room some and everybody saw her costume. Then Mrs. Wm. Reese lead a round table about what we thought of the flapper. Mrs. Reese hiked well of them cause she had imitated them in her dress, being a yellow silk sweater and blue and gray hat and black velvet sweater. Mrs. Mackey and Mrs. Granger helped out with speeches for the flapper. After that Miss Lucille Bruton, alias "Rose of the Bowery" rose to defend the flapper in social drinking and smoking. She was right looking in her bowery costume and talk. The young matrons like Mrs. Wm. Chilton, Tom F. Reese and Armstrong Cox sure did for her. Mrs. Walter Durham dressed in one of her trousseau dresses and Mrs. Dick Shelton in one of her little daughter's lace evening dresses sang a song together. It was a new song so the congregation couldn't join in the chorus. It was entitled "My Sweetheart went down on the 'ain'." Now Mrs. Fagan recited a recitation called what are little boys made of. She looked real maiden like in her grey dress and pink hat. The last number in the program was Mrs. Jack Moore who sang "Sweet Onions" accompanied by the accomplished Mrs. Henry Moore. Mrs. J. W. Leary would have give a poem but she wasn't there. The hostess and a big game but she didn't get to have her guests play it cause just at this time the picture man arrived to take a picture of the party.

Then everybody was much excited cause it was time for the movements. These consisted of Italian Saucetti, pickles, rolls, coffee, sugar, cream, cake.

LAMKIN

Funeral services were held in the Methodist Church here Armistice Day by Rev. O. A. Morton and Elder Gilbert Dalton, for John D. (Uncle Booker) Neel, 82 who was born Sept. 10, 1847 in Tullahoma, Tenn.

He was born the son of James H. and Sarah F. Neel, and came to Texas in the early days when he was 3 years old, while the Indians were still in this part of Comanche County.

He died Monday morning at 22:30, Nov. 11, 1929 at the home of his son Paul Neel and was buried that afternoon at 3 o'clock in Tulliver Cemetery.

J. D. Neel was married to Miss M. L. Whitt, April 15, 1875, to this union three girls were born, two of whom are living, Mrs. Gene Nash and Mrs. Eva Cantrell. She died April 10, 1884.

On April 1, 1885 he was married to Miss Ella Purcell, five children were born to them as follows: Buck, Flora Brack, Jewel and Paul.

Mr. Neel went into the mercantile business in Lamkin in 1887 and was a merchant over 40 years. During his younger days he served as postmaster at Lamkin 17 years.

He was a member of the M. E. Church.

He is survived by 7 children, 17 grandchildren and three great grandchildren. He was widely known throughout Comanche and adjoining Counties and is a brother of Alex Neel of Gustine.

The Lamkin P. T. A. met last Thursday night in a regular business session under direction of our President, Mrs. J. M. Strickland.

The next P. T. A. meeting will be Tuesday night, Nov. 26, instead of Thanksgiving night.

W. L. Hamilton and family visited R. E. Daniel in Comanche Sunday.

Roscoe King and family of Tyrone, Okla., have been visiting her parents her, W. R. Dooley and family.

Luther Daniel and family have moved to the J. O. Tally farm.

PETTIT

The people of Pettit enjoyed a box supper at the new school building.

We have had a series of match games in basket ball. First Energy boys on Pettit ground, with Pettit boys winning. Gustine played both boys and girls on Pettit ground and won both games. Last Friday Pettit played Gustine boys at Gustine and won 8 to 9. Pettit played Cross Roads Friday and won 14 to 4.

The people are planning to celebrate Thanksgiving by having Rally.

News reached relatives and friends of this community that A. O. Thompson, who has been in the sanatorium for the past five months was worse and would have to undergo an operation. Mr. and Mrs. Riordan will accompany Mrs. Thompson to Fort Worth, Friday night.

Would You Know One If You Saw It?

If you ever came face to face with a germ, would you recognize it? Of course it is not likely that you ever will see a germ, unless you own a tremendously powerful microscope, for you would have to magnify one over a thousand times to make it as big as a pin head. But you should recognize the fact that these tiny germs can get into your blood streams through the smallest cut, and give you typhoid fever, tuberculosis, lockjaw, blood poisoning, and many more dangerous and perhaps fatal diseases. There is one sure safeguard against these dangers—washing every cut, no matter how small, thoroughly with Liquid Borosone, the safe antiseptic. You can get Liquid Borosone at Wm. Reese Drug Co.

Here Is A Thought For A Short Winter Day

The shortest days of the year now here impress upon all users of the telephone the value of this service. There are more demands for all sorts of public service in winter time than in any other period of the year.

Yet the cost of telephone service is no greater in winter than in summer.

The plants of the Telephone Company are designed - as they have to be - to care for the greatest demands that may be placed upon them.

That one outstanding feature of public service. It is called the peak load.

There are many interesting things about telephone service that should be fully understood by the users of such service.

This company wants to cooperate fully with the community and this can best be accomplished by complete understanding of our services by the people we serve.

SELLING OUT SALE

Starts Thursday Evening November 21st, at 7 o'Clock

THE REASON

AFTER JANUARY 1ST, WE WILL ENTER AN ENTIRELY DIFFERENT LINE OF BUSINESS. TO DO THIS WE MUST DISPOSE OF THIS BIG VARIETY STOCK OF GOODS AT ONCE. IT MEANS A VERY BIG SACRIFICE TO US BUT WE CLOSE OUR EYES TO PROFIT PROSPECTS AND TURN THESE GOODS INTO CASH NOW. A FEW DAYS AGO WE RECEIVED A WHOLE CARLOAD (117 BOXES) OF CHRISTMAS AND HOLIDAY GOODS FROM THE MARKETS.

ALL THESE GOODS WILL BE DISPLAYED AND TAGGED FOR THIS BIG SELLING OUT SALE. REMEMBER FOLKS! THERE IS NO "IFS" AND "ANDS" OR FOOLISHNESS ABOUT THIS SALE. IT'S ACT NOW—NO DELAY.

WE GIVE YOU NO SENSATIONAL STUFF—BUT IT'S QUICK ACTION SELLING WITH US.
